Business & Domain: ERP Data Coordination, Sales Analytics, Distributor & Retailer Reporting, Manufacturing & Distribution MIS

Soft Skills: Stakeholder Communication, Requirement Gathering, Analytical Thinking, Attention to Detail

PROFESSIONAL EXPERIENCE

Data Analyst | Peekay Rolling Mills Pvt Ltd, India Apr 2024 – Jan 2026

- Built and maintained 8+ Power BI dashboards covering Sales, Distributor Performance, and Retailer MIS using DAX and Power Query, cutting manual MIS preparation time by ~60%.
- Designed star-schema data models and ETL pipelines sourcing from ERP and multiple operational systems, ensuring consistent and accurate reporting across 9 distributors and 227+ sub-dealers.
- Partnered with sales and business development stakeholders to deliver self-service analytics solutions, reducing data inconsistencies and rework by ~40%.

Data Analyst Intern | Futura Labs Technologies, India Oct 2023 – Mar 2024

- Built an FMCG Sales Dashboard in Power BI to monitor and visualize key sales KPIs, integrating data from multiple sources.
- Developed a Logistics Planning Dashboard in Tableau for shipment tracking and operational planning.
- Gained hands-on experience in Power BI, Power Query, SQL, DAX, and Python for end-to-end data analytics workflows.

Post Sales Analyst | Teachnook Edtech, India Jun 2022 – Jun 2023

- Analyzed customer retention and renewal behavior of 1,000+ learners, identifying payment default risk patterns and improving follow-up prioritization for the collections workflow.
- Created performance tracking metrics and weekly business performance reports for management, enabling data-driven process improvements and communication workflow optimization.

EDUCATION

MBA (Online), Data Science | Manipal University, Jaipur Jul 2025 – Present

Bachelor of Commerce, Finance | University of Calicut, Kerala Apr 2018 – Mar 2021
